

2013-2014 KUAFF COMMITTEES

We have been interviewing union members all summer many of whom have indicated their willingness to serve the union in various capacities. In a few weeks I must report my final recommendations to the Executive Board of the KUAFF at our Exec. Reorganization Meeting. We waited until everyone returned who is returning to Kean for the Fall 2013 Semester, so not a single member would be left out.

Below are the positions the KUAFF President will be making to the KUAFF Executive Board.

If any active KUAFF member would like to serve in any of these positions, or, on any committees, and wish to be considered, simply select from the following list below up to no more than four committee/position choices in order of preference, numbering them 1 through 4 (number 1 meaning your 1st Choice). The Union is only as strong as its members. As I always say....*Those who can, TEACH. Those who cannot, PASS LAWS ABOUT TEACHING.....* Only "YOU" CAN MAKE THE DIFFERENCE!!!! PLEASE....say yes and join our Team! (Kathleen Mary Henderson, Ph.D., KUAFF-AFT President)
