Bio: Diego Alvear

Treasurer

Hello, Kean Adjunct Professor Members of KUAFF AFT Local 6024,

My name is Diego Alvear, I am a High School Math teacher. I am also an adjunct professor the Kean University, Department of Mathematics.

I have been the Local 6024 treasurer for the past 5 years. I have been a part of the Kean adjunct family since 2016. I have been a member of Local 6024 for the past 7 years.

I started by attending the executive meetings and eventually became part of the budget committee. Afterwards, I was elected as treasurer for Local 6024.

I have a long history of union work. Prior to my work at Kean, I held multiple positions in NJEA, serving as treasurer for the local and county associations for 7 years. I also served as the technology and congressional contact committee for the state association.

I am truly proud to continue my union work in support of our Kean adjuncts, and I hope you will continue to support me as your new President.

Thank you

Diego Alvear
